

- + My family of five listens to radio station K-LOVE on FM translator frequency 88.3 in Reno, NV.
- + K-LOVE 88.3 FM is the only station servicing this area that provide our family with the positive, encouraging programming so important to us as a family.
- + The service provided by K-LOVE to our community is essential to the people of this area and its loss would negatively affect many lives and the public interest in general.
- + Please keep FM translator service available to the citizens of Northern Nevada.
